Dear Parents:

We are pleased to provide the following tuition planning information to you for the school year 2017-18:

1. The cost to educate a child at our school is in excess of \$8,000. The school has budgeted so that, between the parish contribution and the school fundraising efforts, tuition would be reduced.
2. For a parishioner child, the reduction provided by the school fundraising efforts is \$4150. For a non-parishioner child, with the reduction provided by the school fundraising efforts, the tuition is set at \$4,600.
3. For each additional child that an individual family has registered in the school for the same school year, a 10% discount will be made to that year's tuition.
4. A \$500.00 tuition down payment is due with your registration for all **new** families and will be applied to the child's tuition.

5. A non-refundable registration fee of \$100 is due when submitting your child's registration form. This same fee will be charged for a second child within an individual family. The fee will be waived for any additional children beyond the first two.

The school is a blessing to both the parish and the community. To provide the high standards and excellence in education for our children, tuition must be paid promptly. Tuition is paid through a tuition management company called FACTS. To create an account please go to our school website www.stjnschool.org and click on FACTS log-in on the top bar.

Please sign and date the attached Tuition Acknowledgment form and submit it with your child's registration form and registration payment according to item 5. Submit these forms to the school office.

Yours in Christ,
