Dear Parent/Guardian,

Attached you will find a medical and dental form. These forms are required by the State for new school enterers. Physicals and dentals must be from the current year.

The physical/dental forms do not need to be handed in at the time of registration, but you will need to bring a copy of your child's current immunization record, obtained from your family physician. You will not be able to register without this.

For your information, the required immunization schedule is as follows:

For attendance in all grades;

4 doses of tetanus* (1 dose on or after the 4th birthday)

4 doses of diphtheria* (1 dose on or after the 4th birthday)

4 doses of acellular pertussis* (1 dose on or after the 4th birthday)

4 doses of polio (4th dose on or after the 4th birthday and at least 6 months after previous dose given)

2 doses of measles**

2 doses of mumps**

2 dose of rubella (German measles)**

3 doses of hepatitis B

2 doses of varicella (chickenpox) vaccine or history of disease

*Usually given as DTP or DTaP or DT or Td

**Usually given as MMR

Please be reminded that physicals and dental exams need to be done within one year of the start of the new school term.

Thank you for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Patricia Wilding".
